

EVANGELISM EQUIPMENT ALLOWANCE FOR PASTORS

Arkansas-Louisiana Conference ministers who personally conduct a Conference-approved and funded public evangelistic meeting of at least a week in duration, are eligible to receive an equipment allowance of \$75 per night up to a maximum of 28 nights/meetings per year, per pastor (\$2,100 annually). To receive this allowance, the meetings must be designed for, and presented to, non-members with invitations for baptism and membership in the Seventh-day Adventist Church. This allowance is not available for health seminars, five-day stop smoking classes, breathe-free classes, cooking schools, or church weeks-of-prayer.

To request this allowance, the pastor must submit this form to the Evangelism Coordinator for approval along with a list of the name, address, phone number, email address, and date of birth for each person who was baptized or attach a list of these new members from the church clerk. Also required is a written plan for follow-up, discipling and assimilation of these new members.
